

# SUMMER ANXIETY GROUP FOR TEENS UW-MADISON

## School Psychology Training Clinic (SPTC)

The SPTC is excited to offer a four-week evidence-based anxiety intervention program for students entering grades 9 – 12. Master's level school psychology and social work candidates will lead each session focusing on recognizing signs of anxiety and building anxiety management strategies. For more information or to enroll, contact our clinic via phone or email. Deadline for registration is May 1st.

Session dates: 6/18, 6/20, 6/25, 6/27, 7/9, 7/11, 7/16, 7/18
